Von Carol Ann Wilson : Still Point of the Turning World: The Life of Gia-fu Feng (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Still Point of the Turning World: The Life of Gia-fu Feng (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. New Age DaoismusVon moonrootCarol Ann Wilson hat gut und sauber recherchiert. Sie hat Gia Fu Feng nie persnlich kennengelernt, sondern ber ihre Schwester jenes Grundstck geerbt, auf dem sich Fengs Stillpoint Community befand. ber genau jene Zeit, in der Gia Fu dort lebte, in der ich ihn kennenlernte, ber seine Reisen nach Europa, hat die Autorin leider wenig berichtet. Fr mich kein Manko, ich habe es erlebt, aber fr jene, fr die Gia Fu Feng nur ein Mythos bleibt, fehlt eine wichtige Spanne seines Lebens.Wie es dazu kam, wie er dazu kam, der zu werden, der er letztlich war, lsst

sich nachspüren. Auf jeden Fall ein wichtiges Buch für jene, die diesen Mann und sein Wirken erlebt haben und verstehen wollen. Und ein wichtiges Buch über eine Epoche des New Age.

Kurzbeschreibung This moving book by Carol Wilson chronicles the life of Gia-fu Feng, author of the best-selling translation of the Tao Te Ching and Chuang Tsu: Inner Chapters. Born to a wealthy, traditional family in Shanghai, this modern-day Taoist rogue lived through tumultuous periods of exponential change in China and then found himself stranded in America, with the home he knew crumbling before the world's eyes. His path took him to Esalen in Big Sur and the human potential movement of the 1960s. Eventually he founded Stillpoint, a community of Taoist families living simply and honestly with each other in nature.
