**Von Robert K. Krick : Stonewall Jackson at Cedar Mountain (Civil War America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stonewall Jackson at Cedar Mountain (Civil War America):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Excellent! Von Ein Kunde I became interested in Cedar Mountain after visiting the battlefield. (very well preserved, BTW.) Returning home I searched for books on the battle. Finding this one I bought it promptly, and have enjoyed it a lot. Krick did an excellent job in providing a rich look at the events. Instead of dry facts, he portrays the story accurately but holds your attention well. I was fully into the battle, almost as if I was there. His writing, along with the very nice maps, will give you the entire story of what Stonewall Jackson called his greatest battle. (And his last as an independent commander.) 0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a brilliant book, the best I've ever read. Von Ein Kunde If you enjoyed James I. Robertson's brilliant biography of Jackson, please read Krick's masterwork. By focusing on this one battle, Krick takes the time to create rich visual images and build the action. He has a superb way of approaching an exciting scene from one soldier's perspective, then approaching from someone else's, slowly building a three-dimensional image of the impending action. Believe me, this isn't one to miss!

Kurzbeschreibung At Cedar Mountain on August 9, 1862, Stonewall Jackson exercised independent command of a campaign for the last time. Robert Krick untangles the myriad original accounts by participants on both sides of the battle to offer an illuminating portrait of the Confederate general commanding his troops under the extraordinary pressures of combat. From diaries, reminiscences, letters, and newspaper articles, Krick reconstructs a vivid and detailed account of the confrontation at Cedar Mountain and Jackson's victory there. Pressestimmen A model for battle narratives. ("ALA Booklist") A model for battle narratives. "ALA Booklist" A masterful job. . . . A model of what a battle narrative should be. "Virginia Magazine of History and Biography" Krick sets a standard for other military historians who practice the difficult genre of battle study. "North Carolina Historical "Krick's lively writing style . . . will impress any reader. [This book] is an important addition to modern Civil War literature." America's Civil War" Kurzbeschreibung At Cedar Mountain on August 9, 1862, Stonewall Jackson exercised independent command of a campaign for the last time. Robert Krick untangles the myriad original accounts by participants on both sides of the battle to offer an illuminating portrait of the Confederate general commanding his troops under the extraordinary pressures of combat.
