Von Oscar Wilde : The Happy Prince and Other Fairy Tales (Dover Children's Evergreen Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Happy Prince and Other Fairy Tales (Dover Children's Evergreen Classics):

ErnstIt would be absolutely ridiculous for me to review the quality of Wilde's work. He is by far one of the most extraordinary authors of all times. Thus said, if you are not familiar with his works, and you don't like sad endings, this is not the right lecture for you. However the volume by Collector's Library is charming. Despite being printed in China, its quality is exceptional. The book fits in the palm of your hand, and the illustrations inside are truly unexpected, but a wonderful bonus.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderschne Mrchen, jedoch keine InterpretationenVon Anja GlatterEs ist unbestreitbar, dass Wildes Mrchen zu den bewegendsten berhaupt gehren. Von dem Titelzusatz "Lernmaterialien" erhoffte ich mir Interpretationsanstze und Sekundrliteratur, doch abgesehen von Literaturhinweisen und einem recht gutem Nachwort enthlt dieses Werk nichts in dieser Richtung. "Lernmaterialien" bedeutet demnach lediglich Vokabelhilfen. Diese sind wiederum recht gut und ermoglichenden Einsatz dieses Werkes in der Schule.3 von 4 Kunden fanden die folgende Rezension hilfreich. Excellent beyond compare!!!!Von Ein KundeAs a child I didn't have the books of Oscar Wilde but rather the records. My imagination soared with his descriptions of life, and my eyes overflowed with tears at each story. The record of the Happy Prince was read by Bing Crosby and Orson Wells and each year at Christmas we still play that old scratched thing, just to hear it's wonderous love story and that of The Selfish Giant. Now I have to get the book so my nieces and nephews will share in my treasures of love!!!! What is this world if it isn't all about Love?

KurzbeschreibungOscar Wilde (18541900) is deservedly famous for the brilliant plays and other works he wrote for adults. But he also was a wonderful writer for children, the author of two charming volumes of fairy tales. In this captivating collection you will find every one of the nine sensitive, unforgettable stories he wrote for young readers. Included here are "The Happy Prince," a tale of a young nobleman who in his lifetime sought only pleasure, but in death, as a gold-encrusted statue, provides aid to the needy; "The Selfish Giant," in which children are prohibited from playing in the garden of an unfeeling colossus; and "The Star-Child," the tale of a beautiful boy whose ugly spirit causes his physical appearance to become equally grotesque. Also here are such favorites as "The Nightingale and the Rose," "The Birthday of Infants," "The Remarkable Rocket," "The Devoted Friend," "The Young King," and "The Fisherman and His Soul." Reprinted complete and unabridged, these enchanting tales will appeal to devotees of Wilde and fairy tale fans of all ages.
