Von Stratton-Porter, Gene : The Harvester before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Harvester:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Read this book if you want a nice romance with herbalism. Von Ein Kunde Take a walk on the wild side! Although not as famous as "A Girl of the Limberlost", I found "The Harvester" to be a better read. It is a gentle romance set in the same Limberlost forest locale, but a few years later, when the old growth forest is gone. The protagonist, the harvester of the title, is a farmer who has recreated the forest environment to grow a crop of medicinal herbs. His search for his

"dream girl" will touch you, at the same time it gives you a picture of the importance of medicinal herbs in the days before modern medicine. The book is a little sappy, but if you are in search of an old-fashioned romance, try "The Harvester." 0 von 0 Kunden fanden die folgende Rezension hilfreich. A hermit herbalist who searches and finds his true love Von jpwolf@serv.net or Su Linn This romance novel in my mother's girlhood collection was the first novel I ever read. The Harvester, a hermit who lives alone and supports himself by growing, harvesting and drying medicinal herbs, has vision of a wonderful woman. He sets out in search of her among the city streets by knocking on doors and selling flowers. He finds his girl, but she is traumatized and ill. The Harvester builds a home for her and establishes a relationship only to have her become so ill she almost dies. How he wins both her life and love make this story one you will never forget! If only Hollywood knew, we could have an academy award if this were ever made into a movie - it's a treasure! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Do you believe in magic and true love? Read this book. Von Acugal This is an old-fashioned tale of true love, purity, hard work and regeneration through oneness with nature. It's a beautiful story which I read every time I get stuck in bed sick. I give it to friends who get sick. Just reading it is healing. I hope you enjoy it.

Kurzbeschreibung Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. Synopsis The Harvester sat in the hollow worn in the hewed log stoop by the feet of his father and mother and his own sturdier tread and rested his head against the casing of the cabin door when he gave the command.
