Fun!Von Kelly PrattWe recently used this terrific book in exploring some wonderful and little used roads in Pasco County. It's great to have direction to unique Florida locales that aren't centered around Disney World or the beach.

KurzbeschreibungWinner of the Horgan Award from the Florida Historical Society for a book of outstanding merit written primarily for the general reader.In this first of a three-part series, Douglas Waitley offers an informative, laid-

back tour through Floridas heartland, capturing its scenic beauty and Southern grace. Instead of buzzing through congested highway traffic, why not cruise along a shaded country backroad, stopping periodically to enjoy the hospitality of a town youve never noticed on a map? Complete with directions, detailed maps, recommended stops, and photographs of interesting sights, this book offers more than just a glimpse into the past.
