blessVon CustomerSehr interessante Lektre kann jedem der sich mit dem Thema rastafarie auseinandersetzt nur
empfehlen Liest sich sehr spanend ist aber leider auf englisch

KurzbeschreibungThe Holy PibyBy Robert Athlyi RogersThe Holy Piby was written by Robert Athlyi Rogers, who founded an Afrocentric religion in the US and West Indies in the 1920s. Rogers' religious movement, the Afro Athlican Constructive Church, saw Ethiopians (in the Biblical sense of Black Africans) as the chosen people of God, and proclaimed Marcus Garvey, the prominent Black Nationalist, an apostle. The church preached self-reliance and self-determination for Africans.The original is very rare. There are no copies listed in either the Library of Congress or the University of California catalogs, which is highly unusual. The Holy Piby was banned in Jamaica and other Caribbean Islands in the middle and late 1920s. Today the Holy Piby is acclaimed by many Rastafarians as a primary source. ****This eBook has all graphics of a high quality and eligible as good format.****All Texts are completely digitally edited and properly formatted for easy reading.****Interactive of Table Content linkage for easy navigation.**
