Von Anne Curry : The Hundred Years War (British History in Perspective) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hundred Years War (British History in Perspective):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Most interestingVon 1d2v3c4mJust what I had hoped for, well researched, well written, full of the sort of interesting facts I

was looking for

Kurzbeschreibung Although the term 'Hundred Years War' was not coined until the 1860s, the Anglo-French conflicts of the later Middle Ages have long been of interest to historians. A fundamental question remains - was this a feudal war fought over ancient English rights in Gascony, or was it a dynastic war in which English kings battled for the crown of France itself? This book, now fully revised and updated to take account of the latest scholarship, examines the origins and phases of the war and explores the trends in historical opinion from the fourteenth century to the present day. Anne Curry provides a straightforward narrative of English involvement in France, placing the well known military events in their diplomatic context. By focusing on the treaties of 1259, 1360 and 1420, Curry argues that there was not one 'hundred year war' but rather three separate yet linked conflicts, all with significant implications for the European scene as a whole, and for Anglo-French relations in the centuries to come.

Pressestimmen "I am most favorably impressed by the Essential Histories series on the American Civil War. Written by four of the best historians of the military course of the war, these volumes provide a lucid and concise narrative of the campaigns in both the Eastern and Western theaters as well as penetrating analyses of strategies and leadership. Ideal for classroom use or fireside reading." **Rezensen** of the first edition: "This is a useful work, in which both narrative and commentary are well maintained." - Christopher Allmand, The Historical Association
