KurzbeschreibungWe all experience fear, shame, loneliness, broken homes, or broken hearts. We all hurt and need true, lasting healing. The trouble, according to bestselling author Andrew Farley and Bart Millard, lead singer of MercyMe, is that we don't know where to find it. Inspired by MercyMe's #1 hit song of the same name, *The Hurt The Healer* reveals exactly how God can be the gentle healer of all our hurts. Writing from the pain they've experienced in their lives, Millard and Farley reveal how their own struggles caused them to feel they had disappointed God. Through their biblical guidance, readers will see that God wants them to be open and honest about their pain. Only then can they discover how to exchange destructive thinking patterns for God's view of them and watch as God's perfect love casts away all their fears.

BuchrckseiteWhere Glory Meets Our SufferingFear. Shame. Loneliness. A broken home. A broken heart. We all hurt, and we all need healing. We just don't know where to find it. Inspired by the #1 Christian single "The Hurt The Healer" from MercyMe, this book shows how Jesus can take our hearts and breathe them back to life, how "grace is ushered in for good, and all our scars are understood." Are you ready to discover how Jesus can be the Healer of your hurts? "I am thrilled about this eye-opening, life-changing book. Rules do not set us free, but being set free by the truth is real! It's going to be exciting to see how God uses *The Hurt The Healer* in so many people's lives. I can't wait to watch it happen!"--Amy Grant, Grammy Award-winning songwriter and recording artist "I won the Winston Cup Championship in 2000, but the next day was one of the loneliest of my life. First disappointment, then anger, and eventually depression. You name it, I've experienced it. I was excited to read this book, because there's so much here that I want to grasp. What Bart and Andrew have written will help you discover your real purpose in the midst of this broken world we all live in."--Bobby Labonte, professional NASCAR driver "Take a journey into the real grace of Godnot grace for those who are good enough but the grace for those of us who aren't. As Millard and Farley beautifully reveal, we are the people the Great Physician has come to heal."--David Gregory, New York Times bestselling author of *Dinner with a Perfect Stranger* Bart Millard is the lead singer of the award-winning band MercyMe.
