**Von Ramsey Coutta : The Interest's of Nations (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Interest's of Nations (English Edition):

KurzbeschreibungThe Interest's of Nations is a guide to the strategic and national interests of the G-20 countries. The core interests of these nationas are identified and supporting literature is provided. This concise guide to the strategic and national interests of the G-20 countries will help the reader to understand the big picture for why that country acts as it does in the international arena.KurzbeschreibungThe Interest's of Nations is a guide to the strategic and national interests of the G-20 countries.
