Von Mattis Kantor : The Jewish Time Line Encyclopedia: A Year-by-Year History From Creation to the Present before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jewish Time Line Encyclopedia: A Year-by-Year History From Creation to the Present:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A must have tool for the serious scholarVon Ein KundeMy title says it all. Mattis Kantor has composed the richest collection

of information available on the subject of Jewish (and world) history. The reader will discover a wealth of knowledge that gives detail yet is easily referenced. Beautiful work. If a person is a true scholar then no collection is complete without this book.

Kurzbeschreibung Kantor writes from the perspective of a traditional Jew, covering events such as the Flood, giving of the Torah, and the fall of the Tower of Babel, placing these within the chronology of history along with the Spanish Inquisition, the Holocaust, and the founding of the State of Israel. Kurzbeschreibung Kantor writes from the perspective of a traditional Jew, covering events such as the Flood, giving of the Torah, and the fall of the Tower of Babel, placing these within the chronology of history along with the Spanish Inquisition, the Holocaust, and the founding of the State of Israel. Synopsis Beginning with the creation of the universe in the Jewish year (3760 BCE) and ending with the Israeli withdrawal from Lebanon in 5745 (1985), this volume employs chronologies and time lines to convey Jewish history's people and events. It covers events such as the Flood, giving of the Torah, and the fall of the Tower of Babel.
