Von Steven J. Zipperstein : The Jews of Odessa: A Cultural History, 1794-1881 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jews of Odessa: A Cultural History, 1794-1881:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent choice for your first look at Russian Jewry.Von Ein KundeEasy to read and well-researched, this is an

excellent book to add to your layperson's repertoire on Ukrainian/Russian Jewish history. I learned a lot about how Jewish people lived, what they did, what they thought about... and how political events shaped their lives.

Kurzbeschreibung
Founded in 1794 as a frontier city on the Black Sea, Odessa soon grew to be one of Russia's busiest seaports. Settlers of all nationalities went there to seek their fortune, among them Jews who came to form one of the largest, wealthiest, and most culturally fertile Jewish communities in Europe. This history of Jewish Odessa traces the rise of that community from its foundation in 1794 to the pogroms of 1881 that erupted after the assassination of Alexander II. Zipperstein emphasizes Jewish acculturation: changes in behavior, attitude, and ideology as reflected in schools, synagogues, newspapers, and other institutions of the period. The patterns set then affected the community's cultural development well into the second decade of the twentieth century. More a modern metropolis than any other Russian city with a significant Jewish population, Odessa offers a window into the diversity of Russian Jewish experience.

Pressestimmen
"Zipperstein draws a vivid picture of a Jewish community experiencing the pains of growth, change, and ferment by combining the best qualities of a social and intellectual historian. . . . This excellent book deserves reading by a wide audience." -- "Journal of Social History"
