Von Martha Brill Olcott : The Kazakhs: Second Edition (HOOVER INST PRESS PUBLICATION) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kazakhs: Second Edition (HOOVER INST PRESS PUBLICATION):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A solid history.Von Jim Thurman"The Kazakhs" is a solid, academic history of the Kazakh people from an author familiar to

Central Asia scholars. Olcott starts with the formation of the ethnicity and continues through the very recent past to deal with Kazakhstan's "Unexpected Independence." Lots of good information regarding the critical question of Russians in Kazakhstan, and the the new country's relations with Russia. Not light reading, but a good history.

Kurzbeschreibung This complete history of one of the largest non-Slavic ethnic groups charts it from its emergence in the midfifteenth century to the present. Olcott details the major events that have shaped the character of the Islamic nation of Kazakhstan, discussing the rise and fall of the Kazakh Khanate, the Kazakhs in imperial Russia, revolutionary and Soviet Kazakhstan, and the struggle for autonomy under Soviet rule. Pressestimmen "The Kazakhs is quite simply the best one-volume introduction we have to any of the traditionally Islamic peoples of the [former] USSR." Kurzbeschreibung This complete history of one of the largest non-Slavic ethnic groups charts it from its emergence in the midfifteenth century to the present. Olcott details the major events that have shaped the character of the Islamic nation of Kazakhstan, discussing the rise and fall of the Kazakh Khanate, the Kazakhs in imperial Russia, revolutionary and Soviet Kazakhstan, and the struggle for autonomy under Soviet rule.
