Von Evi Kurz : **The Kissinger Saga: Walter and Henry Kissinger: Two Brothers From Germany (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kissinger Saga: Walter and Henry Kissinger: Two Brothers From Germany (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super BuchVon Helga BoucherDas ganze Buch war sehr interessant und toll zu lesen. Hat uns sehr gut gefallen und jetzt wissen wir noch mehr von der Familie Kissinger. Wir wohnen auch bei Frth also sind uns alle die Orte und Strassen ein Begriff.

KurzbeschreibungAn unrivalled insight into the early life of Henry Kissinger'No interviews about my private life' has always been Henry Kissinger's response to curious journalists. But journalist Evi Kurz from Furth, the Kissingers' home town in southern Germany, proposed a family portrait and eventually won the trust of both brothers. This is the story of two Americans of German-Jewish descent: one of them a key figure in Cold War diplomacy and winner of the Nobel Peace Prize, the other a top businessman - two lives which are exemplars of the American dream. When Henry was born in 1923 and Walter in 1924 the Kissingers had for decades been part of a flourishing Jewish middle class in Furth, a market town in northern Bavaria. Evi Kurz describes the gradual but remorseless destruction of this community in the 1930s; the Kissinger family's decision to flee to London and then New York in 1938; the war years in America; and the hugely successful careers in postwar America of both brothers, who always remembered their home and roots in a small German town. Pressestimmen"a triumph of journalistic digging, and it makes for a little gem of a book. a magnificent story about boyhood, identity and belonging" -- Stephen Robinson SUNDAY TIMES "tells a fascinating and tragic story. Kurz does a fine job of tracing the early history of the Kissinger family and evoking their happy days before the coming of Nazism" -- Dominic Sandbrook LITERARY REVIEW "This book of the TV broadcast is very informative" -- Eoin McVey IRISH TIMES
