**Von Adney, Tappan : The Klondike Stampede** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Klondike Stampede:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Excellent details.Von Ein KundeI recommend first reading Pierre Berton's book about the Klondike Gold Rush to get an excellent and accurate overview of what happened.Then read Tappan Adney's book to get lots of wonderful details about everything concerning the stamper's life. Details such as how big his log cabin was, what was in it, how he

lived, and so forth -- the interesting details of the gold rush and the stamper's life. Also included are some of Adney's photos of the gold rush. Gary Christenson 0 von 0 Kunden fanden die folgende Rezension hilfreich. Could Not Stop Reading Von Lawrence J. Gasaway What a great book! I am anxious to read it a second and third time. I really felt like I had been in the Klondike during the stampede after reading this book. At the very least, I now have a second hand knowledge about the experiences that the sourdoughs went through.

Kurzbeschreibung Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. Pressestimmen In *The Klondike Stampede*, Tappan Adney brings the seasoned eye of an experienced and competent journalist to the task of recording an extraordinary event ... Adney did not succumb to the tendency toward overstatement and exaggeration that is so common among the Klondike accounts. Instead, he captured, vividly and convincingly, in words and images, one of the more remarkable events of the nineteenth century. -- Dan Davidson \* *The Whitehorse Star* \* Reprinting *The Klondike Stampede* was a good idea as it is the most readable and informative contemporary account of the Gold Rush excitement. -- Patricia Roppel \* *Journal of the West* \* With the approach of the centenary of the Klondike gold rush, this book deserves to be widely read. -- Julie Cruikshank \* *BC Studies* \* Kurzbeschreibung Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos.
