Von Frances Gies : The Knight in History (Medieval Life) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Knight in History (Medieval Life):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A fantastic analysis of the everyday life of a KnightVon Joe OwenSince I have an interest in the Middle Ages (900AD-1500AD) I was recommended this book by a history professor, and I wasn't dissapointed. This is an interesting analysis of the Knights in Medieval Society not only of England and France, but Europe in general. Easy to read,

analytical and comprehensive this explains the initiation, rituals, valor and hardship that the Knight had to endure everyday. The author(s) have written many outstanding books of the middle ages and this is a welcome addition to the series they have written. A MUST have book for anyone studying the middle ages or the casual reader who picks it up in a store or library.
