Von Carl Moen : The Last of the Railroad Police (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last of the Railroad Police (English Edition):

KurzbeschreibungIn the 1950's, Chicago was a great railroad center, and its Proviso yard was the largest in the world,

made up of nine freight yards--each a mile long with sixty tracks. Times were hard in the Eisenhower Fifties. Jobs for unskilled people like me were few and far between, and I had a young family to consider. When I heard the railroad police would pay me eighty dollars a month more than I was getting, I had to take it on. Looking back, it surprises me that I lived through it all: the arrests, the fights, the gun play, arson and even a brush with the Mafia. Even more dangerous were the men so anxious to wear a badge and carry a gun, they'd work the job for nothing. All of this is true. Walk with me down the tracks and I'll show you what it was like to be the Last of the Railroad

Police. Kurzbeschreibung In the 1950's, Chicago was a great railroad center, and its Proviso yard was the largest in the world, made up of nine freight yards--each a mile long with sixty tracks. Times were hard in the Eisenhower Fifties. Jobs for unskilled people like me were few and far between, and I had a young family to consider. When I heard the railroad police would pay me eighty dollars a month more than I was getting, I had to take it on. Looking back, it surprises me that I lived through it all: the arrests, the fights, the gun play, arson and even a brush with the Mafia. Even more dangerous were the men so anxious to wear a badge and carry a gun, they'd work the job for nothing. All of this is true. Walk with me down the tracks and I'll show you what it was like to be the Last of the Railroad Police. ber den Autor und weitere Mitwirkende Carl Moen has been a truck driver, stockbroker, cab driver, coffee roaster, painter, insurance salesman, locomotive fireman, state representative, fireman, retail store detective, and now an author. He is a veteran of World War II and the Korean War. These days, he makes his home in Florida.
