**Von Andrejs Plakans : The Latvians: A Short History (Hoover Institution Press Publication)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Latvians: A Short History (Hoover Institution Press Publication):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great history book.Von Daina DahlgrenA well written, informative book packed with important and fascinating data.A must

read for history buffs or anyone interested in Latvia or the Baltic area. It covers the Baltic region from 9000BC to 1994AD in a flowing manner that is easy to follow.

**Kurzbeschreibung** This is the first English-language volume that brings the history of Latvia to the threshold of the twenty-first century. Until the re-establishment of Latvian independence in 1991, Soviet dominance served for nearly fifty years to hinder publication of any complete and objective historical record of the region. Plakans now places the evolution and formation of the Latvian nation in a balanced, historical framework that stretches from the early medieval period to the present.

**Pressestimmen** "Now when asked to recommend a book...one may confidently point to Plakans's volume. It reads well, holds one's interest, and covers complicated and generally unfamiliar territory in a manner that is both intelligent and still intelligible to the neophyte."

**Kurzbeschreibung** This is the first English-language volume that brings the history of Latvia to the threshold of the twenty-first century.
