### Von Christian Green : The League of Protectors: Fire and Ice (New Age of Heroes Shorts) (English Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised The League of Protectors: Fire and Ice (New Age of Heroes Shorts) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Superhero fun for young adults Von Karen O. Fire and Ice focuses on superheroes Shayne Tucker and Jackson Prescott. They are so-called Post Humans - i.e. humans with special (superhero) abilities. One of them produces fire, the other's weapon is ice. They are not to harm the criminals, justice is handled by other parties. With Fire and Ice, Christian Green has created a fun and fresh superhero story. Fire and Ice gives you an insight into the life and friendship of two

relatively different students; an introvert and an extrovert womaniser. The combination of Shayne and Jackson's everyday life and their special tasks kept me hooked. Christian Green balances the male students' habits and needs as well as their crime-fighting superhero abilities well. It is a fast-paced and enjoyable read. I felt like an invisible (sometimes chuckling) observer. Fire and Ice is a good read for young adult superhero fans, who prefer a slightly humorous touch. This is a pleasant read - I would like to read more about The League of Protectors.

Kurzbeschreibung Being a superhero isn't easy, especially when you're still in college. Since the battle in Washington, a little over a year ago, the Post Human crime rate has increased dramatically. The crime-fighting duo Shayne Tucker and Jackson Prescott, have been tasked with the arduous mission of bringing down some of the local criminals. The first few battles prove to be less than challenging for the duo. Things change quickly however, when a new threat determined to change the world emerges. Shayne and Jackson find themselves thrown into a world they are ill prepared for and must rely on one another if they are to survive.
