Von Lori Walburg : The Legend of the Easter Egg before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Legend of the Easter Egg:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Endearing tale of Easter Von Ein Kunde In this historical fiction story about Easter, a young man learns the legend of the Easter egg and about his faith in Jesus. Thomas asks his sister about the legend of the Easter egg while they do their chores. Unfortunately she doesn't get a chance to answer him before she gets Scarlet Fever. While staying with friends, he asks about Easter eggs. Thomas finds his answer and prays for the first time. This endearing story is a great way to explain some of the symbols used to celebrate Easter to young children. A great book to add to the other collectable legend stories like The Legend of the Candy Cane.

Kurzbeschreibung One April morning, a boy and his sister go outside to gather eggs. "Let's pretend we're hunting Easter eggs!" Lucy says. "What are Easter eggs?" Thomas wonders. In The Legend of the Easter Egg, young Thomas learns the deeper meaning behind Easter eggs and the Easter story itself. When his older sister Lucy falls sick, Thomas goes to stay with John and Mary Sonneman at their candy store. But all the candy he could desire does not cure Thomas's aching heart. Only when Mary Sonneman shares with him the story of Easter does he understand the hope he has -- and what he can do about his sister's illness. Featuring the beloved setting and characters from the best-selling Legend of the Candy Cane, this moving story takes us deeper into the mystery of Christianity. Dramatic illustrations

by James Bernardin underscore the chilling fear of separation and death -- and the dazzling joy of reunion and new life..deOne April morning Thomas and his sister Lucy are gathering eggs from the hens and discussing Easter. But Lucy falls ill with scarlet fever before she gets a chance to tell him about Easter eggs. Thomas is sent to the local candy shop merchants, John and Mary, while his sister is quarantined. One day, when Thomas is lonely and frightened about Lucy, Mary gives him a chocolate Easter egg and tells him the story of Jesus's resurrection. "But why do we have Easter eggs?" Thomas asked. Mary explained. "Just as a chick breaks out of an egg, so had Jesus broken free of the tomb of death. Easter eggs remind us that Jesus conquered death and gives us eternal life." Written by the author/illustrator team of Lori Walburg and James Bernardin, and featuring the same setting and characters from their bestselling *The Legend of the Candy Cane*, this story reveals the significance of Easter, which lies far beyond the wholesale gobbling of chocolate eggs and jelly beans. (Ages 6 to 9) --Emilie Coulter
