Von Peter Singer : The Life You Can Save: How to play your part in ending world poverty (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life You Can

Save: How to play your part in ending world poverty (English Edition):

Kurzbeschreibung Brilliant. A practical plan to eradicate world poverty Observer Would you walk past a drowning child? This is a book that will change the way you think about giving. It shows what you can do, as an individual, about the fact that more than a billion people are living in extreme poverty. It argues for an urgent change in our culture, and it invites you to play your part. The complexities of the aid debate are well rehearsed; the phrase charity begins at home is all too familiar; the sheer scale of the task is overwhelming. But Singer, who has been writing for more than three decades about how we should respond to hunger and poverty, suggests that anything other than urgent and direct action is tantamount to walking by. If enough people regularly give a small amount, he says, we can together make a significant difference. Find out about the life you can save. **Pressestimmen** Advance praise for The Life You Can Save Part plea, part manifesto, part handbook, this short and surprisingly compelling book sets out to answer two difficult questions: why people in affluent countries should donate money to fight global poverty and how much each should give. . . . Singer doesnt ask readers to choose between asceticism and self-indulgence; his solution can be found in the middle, and it is reasonable and rewarding for all. **Publishers Weekly** (starred review) If you think you cant afford to give money to the needy, I urge you to read this book. If you think youre already giving enough, and to the right places, still I urge you to read this book. In *The Life You Can Save*, Peter Singer makes a strong case logical and factual, but also emotional for why each of us should be doing more for the worlds impoverished. This book will challenge you to be a better person. **Holden Karnofsky**, co-founder, GiveWell In *The Life You Can Save*, Peter Singer challenges each of us to ask: Am I willing to make poverty history? Skillfully weaving together parable, philosophy, and hard statistics, he tackles the most familiar moral, ethical, and ideological obstacles to building a global culture of philanthropy, and sets the bar for how we as citizens might do our part to empower the worlds poor. **Raymond C. Offenheiser**, president, Oxfam America **Werbetext** The End of Poverty meets Nudge in an empowering, life-changing manifesto
