Von Avraham Gileadi : The Literary Message of Isaiah (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Literary Message of Isaiah (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The key to unlock a sealed bookVon John N. UnderwoodThis book was written with both Jew and Gentile in mind. The in-depth study of Gileadi can be seen in his clear and concise translation (a 7+ years endeavor) of Isaiah. He has taken this sealed book of the Old Testament and has revealed its many treasures and mysteries concerning the end days (or, as you will find out, our day). He has done this by analyzing the various literary structures Isaiah uses as well as

interpretive devices such as parallelisms -including the chiastic structure that is so prevalent within Isaiah-key words, interconnections, code words, code names, rhetorical connections, and the list goes on. Gileadi provides these interpretive keys --plus others-to you and opens up the lock pads that have sealed this book.I find myself, with the Bible and Gileadi's book spread out across the table, gaining new insights that I thought I would never have. It is not a book for the faint hearted and requires time and patience. But then, what can we expect when the topic is Isaiah?0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent Translation, Valuable ResourceVon Ein KundeAvraham's Isaiah translation is in the top ten list of my resource library. I consider him a premier Isaiah scholar: one foreordained to do this great work.

KurzbeschreibungThe Literary Message of Isaiah - A ground-breaking literary approach to analyzing Isaiah's writings for Judeo-Christian students and readers.A multifaceted seven-part structure of the Book of Isaiah draws on events from Israel's past to systematically develop an apocalyptic message and a Hebrew messianic theology.When subjected to several literary analyses simultaneouslystructural, rhetorical, and typologicalthe Book of Isaiah discloses secrets that have lain dormant for millennia. (Hebraeus Press, 2012 edition).KurzbeschreibungThe Literary Message of Isaiah - A ground-breaking literary approach to analyzing Isaiah's writings for Judeo-Christian students and readers.A multifaceted seven-part structure of the Book of Isaiah draws on events from Israel's past to systematically develop an apocalyptic message and a Hebrew messianic theology.When subjected to several literary analyses simultaneouslystructural, rhetorical, and typologicalthe Book of Isaiah discloses secrets that have lain dormant for millennia.
