Too Complex for Young ChildrenVon Ein KundeAlthough I love the "Conversation With God" books and agree with them, I have to agree with the reviewer who thought the book too complex for younger children. My 7-year old needed much additional explanation from me after I finished reading the book to him, and even then I wasn't sure he completely understood the concepts. I do know of a great book that is more appropriate for young children. "Emma

and Mommy Talk to God," by Marianne Williamson, is an excellent book for children of all ages, and very easy to understand and follow. 1 von 1 Kunden fanden die folgende Rezension hilfreich. I found enlightenment with The Little Soul and the Sun Von Ein Kunde This highly intelligent book was written for adults who understand the specialness and uniqueness of children and the bright light they show to us. To teach our young ones, we must first understand the story. This book should be read by every ADULT, and lovingly passed on to our children. I've had this book for sometime, and have waited for a grandchild to give it to. But now I feel that I am "hoarding" it. There are so many who need to hear its message! (Guess I'll have to get more copies!) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Reviewed by a metaphysician Von BONNIE J LIPSKIThis is a perfect gift to children of all ages. I have purchased it for my 3 year old. The ideas presented are expansive: ideas of oneness with all beings, good and 'bad.' The word 'bad' is mentioned only a few times in one section of the book and I found it acceptable, considering I censor things to the minute detail before allowing my daughter to entertain the thoughts. The Little Soul learns to love those that trouble him in a way that promotes joy in ones heart for life's enemies. (my wording, not the books.) There are so few books I have found that offer children the oneness with life idea, this is surely one to add to your collection.

Kurzbeschreibung The Little Soul and the Sun is a simple and powerful story that brings children a very profound truth: there is not absolute good or bad--that underneath all that happens in the world, all that we call "good" and all that we call "bad," is love. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are.
