Von Chiara Marmugi, Elizabeth Eulberg : The Lonely Hearts Club (Lain) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lonely Hearts Club (Lain):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. THE LONELY HEARTS CLUB- A fun contemporary romance with just the right groove!Von Miss Page-TurnerThe Beatles.A huge part of THE LONELY HEARTS CLUB is made up of Beatles talk. In general I love music being a part of a story, because it is something that can affect and change a person and story entirely. Unfortunately I am not really into the Beatles.There were some things in the story related to them and it felt cool, but the attitude of Penny's

parents and their worshipping the band started to annoy me after some time into the story. Like it was a smart solution circling your lives and decisions around the choices of famous musicians. Penny Lane. She's the girl named after a Beatles song. She's the founder of the lonely Hearts Club after being cheated on by her childhood love Nate. I tell you, you'll totally get her point of founding the club in her decision to not wanting to be miserable anymore. And I loved that so many other girls felt the need to join. Clubs are always fun and this one's dedicated to a good cause: no more heart break. The club is a place to get help and comfort from other girls that fast become friends. We get to know Penny's best friend Tracey who fears to lose her friend over another. There is an old friend coming back into Penny's life and now she has to sort out how to keep all of her friends. With time the ideals of the lonely hearts club start changing and it starts to be so much about friendship and the strength of a group of powerful girls. It's an ode to femininity and independent women. The girls of the lonely hearts club do so many great and fun things together! But then Penny slowly falls in love even though she is the founder of the lonely hearts club. That love story really got my attention, because it lays the main focus on Penny's feelings and thoughts, the transition from being sure about never dating again and slowly falling in love again. The blooming relationship is really cute, but sometimes Penny acted a bit too ignorant and not very sensible considering that that one guy would be willing to do everything for her. Just get him girl! Read yourselves how that blooming romance plays out in the end.

THE VERDICT
THE LONELY HEARTS CLUB features some fun dialogues, ideas and characters. There are references to Beatles songs that are totally fitting just like Elizabeth Eulberg's cute and girly writing. I'm looking forward to reading **PROM AND PREJUDICE** and **TAKE A BOW!**

Von Katzenjammer12316 year old Penny Lane is tired of boys who make her feel like she's stupid. After being disappointed by a guy she knew and had feelings for since they were kids Penny decides to form The Lonely Hearts Club and to just concentrate on herself for the rest of high school. At first she is the only club member but soon more and more girls want to join. What will Penny do when things surrounding the club get more and more complicated and when a cute guy becomes more and more interesting? When I started reading "The Lonely Hearts Club" I feared that the book could be a bit too young for me however it wasn't. Elizabeth Eulberg's writing style was very engaging and I was happy that she didn't use too much teenage language. And themes like love, friendship and self-worth are interesting for all age groups. I especially enjoyed reading about the heroine of the book. Penny Lane is a normal 16 year old girl, she is very likable and I enjoyed how she handled her life. Her development throughout the book was fascinating and great. The way she kept the club together and never lost the happiness of her friends out of her sight was heart-warming. I also enjoyed that the club concentrated on helping the girls become more confident. It wasn't about something like sex is bad but about concentrating on yourself and doing what you enjoy. All in all I was positively surprised by "The Lonely Hearts Club" and think that it's a very cute, funny and lovely book for teens and adults.

cover I like it because it fits to the book and I like the Beatles reference. final appraisal I was surprised at how well the story worked for me. Although most of the main characters are only 16 the book didn't feel too young. I enjoyed reading about The Lonely Hearts Club and think that Penny Lane was an amazing heroine. The way themes like friendship, love and being disappointed by boys were portrayed made this book very entertaining and lovely.

Von TeensReadToo Penny Lane Bloom is sick of dating boys. All they do is cause her trouble and heartbreak. She vows to date no more for the next two years, until she graduates from high school. Penny decides to start a club: The Lonely Hearts Club (yep, like the Beatles). The club soon has multiple girls joining. These girls have also realized that they are changing themselves to get the guy, only to get hurt in return. Things change after an article in the school paper though, and Penny doesn't like how she is now known for having the "lonely heart." Besides, there is this one boy... This was an amazingly written debut novel. I loved every minute of reading, and I could not stop until I couldn't keep my eyes open any longer. The characters were fun and unique. The plot was totally original, which made the story even better. The Beatles references weren't over-done. It seemed like there were a lot of main characters, but that was okay, because the plot flowed nicely, and I got to know each character pretty well. Overall, **THE LONELY HEARTS CLUB** was very enjoyable and extremely cute. It is a great book about the meaning of friends, especially while in a relationship. A great debut! Reviewed by: Ashley B

Kurzbeschreibung Penny Lane stufa dei ragazzi e stufa di uscire con loro, quindi ha deciso: basta. Infiniti appuntamenti noiosi e troppi inutili fidanzamenti le hanno fatto collezionare una delusione dopo l'altra. Ben presto, per, molte delle sue compagne sono incuriosite dalla sua scelta personale: sembra infatti che Penny non sia l'unica a non volerne più sapere dei ragazzi. Nella sua scuola la voglia di smettere di fare qualunque cosa per piacere a un ragazzo dei propri sogni si sta diffondendo a macchia d'olio. Di qui, la decisione di dare una forma e uno statuto a questa ritrovata indipendenza dagli affari di cuore: le ragazze liberate dai condizionamenti dell'amore decidono di fondare il Lonely Hearts Club. Penny Lane, la prima ad aver lanciato l'orgogliosa moda del cuore solitario, ne sarà la leader. Peccato, per, che un giorno incontra un ragazzo che ne mette a dura prova le convinzioni.
