Von Thomas Watson : The Lord's Prayer - Enhanced Version (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lord's Prayer - Enhanced Version (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. An outstanding exposition of Christ's great lesson on prayerVon Ein KundeThomas Watson presents both the glory and simplicity of Christ's lesson on prayer in all its fullness. As the third work in Watson's trilogy supporting the ideas taught in the Westminster catechisms, Watson develops the ideas behind each phrase of the prayer with the best interpreter of Christ's words,Scripture itself. Often praised for his particularly lengthy treatment of the second petition, "thy kingdom come," I found the exposition of "Hallowed be thy name" the most compelling to my faith. This work

changed my view of prayer, proving the motivation of prayer needed not to be my own desires, but the glory of God.

Kurzbeschreibung Thomas Watson was one of the many non-conformist preachers in 17th century England. He was barred from and then reinstated to the ministry several times, but nevertheless continued to preach. Lord's Prayer is the third volume of Watson's series explaining the tenets of Christian faith - the Ten Commandments and the Apostle's Creed are the subjects of the other two. He gives a lengthy exposition of each "petition" in the prayer, which is found in Matthew 6. Watson is heralded as one of the most readable Puritan writers - his style is simpler and less meandering than many of his contemporaries. Some reviewers suggest this book as a preface to more difficult works on prayer such as those by John Owen. It is a wonderful reference for believers who are looking to improve their prayer lives. Readers will be amazed by the vast meaning packed into these simple words, but also struck by the ease with which it can be prayed. This prayer our Lord taught us is of great importance and should be studied and treasured often. Abby Zwart CCEL Staff Writer This edition features an artistic cover, a new promotional introduction, an index of scripture references, links for scripture references to the appropriate passages, and a hierarchical table of contents which makes it possible to navigate to any part of the book with a minimum of page turns.
