Von Timothy Garton Ash : The Magic Lantern: The Revolution of '89 Witnessed in Warsaw, Budapest, Berlin and Prague (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magic Lantern: The Revolution of '89 Witnessed in Warsaw, Budapest, Berlin and Prague (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Excellent snapshot of events of 1989 and 1990 in E. Eur. Von Ein KundeAsh, through his incomparable access to the leaders of the resistance movements in Warsaw, Prague, Budapest, and Berlin, provides a very well rendered and beautifully detailed account of his observations in those cities, and he seems to have been in all the right places at all the rights time. He also includes a very insightfull and well informed interpretation of the long range implications of what he observed. It must be remembered, as he points out himself, that what he saw was only a tiny portion of all that went on, and the observations of many other people who were on the scene have to be put together to form the whole picture.

KurzbeschreibungThe Magic Lantern is one of those rare books that capture history in the making, written by an author who was witness to some of the most remarkable moments that marked the collapse of Communism in Eastern Europe. Timothy Garton Ash was there in Warsaw, on 4 June, when the communist government was humiliated by Solidarity in the first semi-free elections since the Second World War. He was there in Budapest, twelve days later, when Imre Nagy - thirty-one years after his execution - was finally given his proper funeral. He was there in Berlin, as the Wall opened. And most remarkable of all, he was there in Prague, in the back rooms of the Magic Lantern theatre, with Vclav Havel and the members of Civic Forum, as they made their 'Velvet Revolution'.Pressestimmen"[Garton Ash's] own involvement in these events, intellectual and emotional, is of such intensity that he can speak...from the inside as well as from the outside. Yet the sense of historic dimension...is never lost. And the quality of the writing places it clearly in the category of good literature." -- George KennanThe Magic Lantern is one of those rare books that define a historic moment, written by a brilliant witness who was also a participant in epochal events. Whether covering Poland's first free parliamentary elections -- in which Solidarity found itself in the position of trying to limit the scope of its victory -- or sitting in at the meetings of an unlikely coalition of bohemian intellectuals and Catholic clerics orchestrating the liberation of Czechoslovakia, Garton Ash writes with enormous sympathy and power.In this book -- now with a new Afterword by the author -- Garton Ash creates a stunningly evocative portrait of the revolutions that swept Communism from Eastern Europe in 1989 and whose after-effects will resonate for years to come."Along with the historian's long view, Garton Ash has an eye and an ear for the telling detail." -- Washington Past Book WorldKurzbeschreibungThe Magic Lantern is one of those rare books that capture history in the making, written by an author who was witness to some of the most remarkable moments that marked the collapse of Communism in Eastern Europe.
