And why do they do it? Surely ideas and convictions motivate many of us to act in important ways. In his revolutionary book, Darren Staloff explores the relationship of intellectuals to the cultural products they create. Read this book to find out about Puritans; but read it thoroughly to learn about ideas and their use. This book may change a lot of what you think about ideas and intellectuals. It is highly recommended for all thinkers and skeptics.

KurzbeschreibungA radical new interpretation of the political and intellectual history of Puritan Massachusetts, *The Making of an American Thinking Class* envisions the Bay colony as a seventeenth century one-party state, where congregations served as ideological 'cells' and authority was restricted to an educated elite of ministers and magistrates. From there Staloff offers a broadened conception of the interstices of political, social, and intellectual authority in Puritan Massachusetts and beyond, arguing that ideologies, as well as ideological politics, are produced by self-conscious, and often class-conscious, thinkers.KurzbeschreibungA radical new interpretation of the political and intellectual history of Puritan Massachusetts, *The Making of an American Thinking Class* envisions the Bay colony as a seventeenth century one-party state, where congregations served as ideological 'cells' and authority was restricted to an educated elite of ministers and magistrates.
