**Von Dennis J. Cummings : The Men Behind the Trident: SEAL Team One in Vietnam (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Men Behind the Trident: SEAL Team One in Vietnam (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

"Good"Von Ein KundeFormer U.S. Navy SEALs (from SEAL Team One) tell you their stories and some of the things they remembered while in Vietnam. Provides a bit of insight into the kind of operations they ran while in Vietnam. It is interesting, and is an easy-read... not bad at all.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great stories told about SEALs in 'NamVon Ein KundeI think this book had some very interesting stories and some neat facts. One of my favorite parts is when the SEALs are on a ambush in the water and a crayfish comes up bites this

guys kneecap and he starts screaming his lungs out.

Kurzbeschreibung Dennis J. Cummings, author of "SEAL Pointman", returns to digital format with his second SEAL book, a military non-fiction classic. "The Men Behind the Trident" goes back to the beginning and explores the making of SEAL Team One from the ground up. Over the course of several years, Cummings was granted extraordinary access to these men and crossed the country interviewing Vietnam era members of SEAL Team One. Deliberately written as an oral history, each chapter is like a conversation with one of the first SEALs - learn about their missions, their tactics, and why "the only easy day was yesterday." Available for the first time as an ebook.

Kurzbeschreibung Dennis J. Cummings, author of "SEAL Pointman", returns to digital format with his second SEAL book, a military non-fiction classic. "The Men Behind the Trident" goes back to the beginning and explores the making of SEAL Team One from the ground up.
