**Von Robert A. Gross : The Minutemen and Their World (American Century)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Minutemen and Their World (American Century):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great account of colonial New England!Von KaongsTwo thumbs up! I was required to read this book for a course in Colonial American History at Bates College. If you're at all interested in Colonial New England, especially the events leading up to the Battles of Lexington and Concord - read this book! It's a great account of what it was like to be a

## Minuteman in colonial Massachusetts.

Kurzbeschreibung Winner of the Bancroft Prize *The Minutemen and Their World*, first published in 1976, is reissued now in a twenty-fifth anniversary edition with a new Foreword by Alan Taylor and a new Afterword by the author. On April 19, 1775, the American Revolution began at the Old North Bridge in Concord, Massachusetts. The "shot heard round the world" catapulted this sleepy New England town into the midst of revolutionary fervor, and Concord went on to become the intellectual capital of the new republic. The town--future home to Emerson, Thoreau, and Hawthorne--soon came to symbolize devotion to liberty, intellectual freedom, and the stubborn integrity of rural life. In *The Minutemen and Their World*, Robert Gross has written a remarkably subtle and detailed reconstruction of the lives and community of this special place, and a compelling interpretation of the American Revolution as a social movement.

Pressestimmen "In this eloquent book, Robert Gross gives us a Concord that we have not encountered before, a surprising place that turns out to be not the quaint community of myth and legend, but a lively society, deeply engaged in the great issues of its revolutionary time--with all the tensions, anxieties, and aspirations that human beings share." --Linda K. Kerber "The Minutemen and Their World" makes the American Revolution live--a vivid, compelling book that dramatizes the political consciousness and armed conflict in the very birthplace of the Revolutionary War. Few books have so brilliantly stood the test of time." --Jon Butler "For historians, "The Minutemen and Their World" was a shot heard round the world. It taught us that fine history combines good scholarship with good writing. Its reverberations are still being heard." --Laurel Thatcher Ulrich "The Minutemen and Their World" is a classic in--well, the classic sense of the world: a book of such enduring elegance and interest that it will find a readership in every generation." --Joyce Appleby "A richly detailed picture of social life and social divisions in Concord, and a lively narrative of the coming of the Revolution there." --Edmund S. Morgan, "The New York of Books" "This lovely little book captures, intimately and authentically, the life of an eighteenth century New England town . . . gloriously good." --Michael Zuckerman, University of Pennsylvania
