and examines the passion that Christ had for us. Through His shedding His blood for us and laying Himself down as a living sacrifice, paying for our sins and reconciling us back to God, His love is exposed. John F. MacArthur catches this love superbly by studying Jesus' words on the cross! Even in His most humble moments, He pitied man and pleaded with the Father on our behalf. In fact, it takes the anger that many wrongly have towards the Jews away by revealing that Christ wasn't killed by them! He had a mission when He came, and the Jews and Romans were merely vessels used by God to fulfill this mission. This book has the definite ability to move any reader to tears, stirring great emotion and reality in a believer. When one fully grasps what Christ went through to atone us, he or she will truly be a different person. John F. MacArthur takes all of these sensitive subjects and brings them out in such a way that brings the reader closer and closer to Christ. The intimacy with the Lord that you'll feel while reading this book is unparalleled. If you are a believer that is completely unfeeling when thinking about Christ's work on the cross, this is the book for you. Or even if you do have feeling and are close to God, this is THE book that will further improve your relationship with Jesus.

Von Marcel Kerri I read MacArthur's book in hopes of gaining a better understanding of the physical torture that crucifixion brings. I finished the book with a deeper and keener awareness of what Jesus Christ endured for me and EVERY other mortal human being who has lived, is living and will live on this earth. When reading Scripture, I've found that unless you know the contextual background, you won't realize the Word's full impact. Study aids help to understand cultural, grammatical and traditional customs of biblical times. MacArthur provides that and much, much more. In reference to the Passion Week, he smoothly blends top-notch research with the holy narrative to illuminate the goings-on in Jerusalem, detailing the mechanisms of Jewish law, Roman law and how the two should work together. He unveils the Jews' blatant disregard of the government in conspiring to kill the Son of God and the reckless, desperate abandon and hypocrisy they used to do so. MacArthur makes you feel like an eyewitness to the events, offering emotional insights that will pull on your heart, water your eyes and drop a lump into your throat. The disappointment in the apostles, the Lord's physical fatigue and the bloodthirst of the Jewish leaders smacks you in the face! You can't help but notice a difference when you read the crucifixion accounts after reading this book. Besides reintroducing you to your need for God's salvation through Christ, MacArthur gives you a moment-by-moment description of every slap, whip, spit, thorn, nail and spear that should have been borne by ALL of us. He spurs you to meditate why Jesus, being perfect, holy and righteous in all things, volunteered to receive the treatment, punishment and fate of common criminals and miscreants. MacArthur allows you to feel the humiliation, disgust and agony in your spirit. Therefore, he helps you to appreciate even greater how much God loves us. This book will revolutionize your spiritual thinking and humble you at His feet with awe, submission and gratitude.

Kurzbeschreibung The pieces are in place. The curtain rises for the final act. God is about to die. An unprecedented conspiracy of injustice, cruelty, and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised. The victim was no mere man. Jesus was God in the flesh. The Creator of life died. How did such a thing come to be? Who were the onlookers, the players, the fakes, frauds, and heroes? What was it like in the Upper Room that night, in the shadows of Gethsemane, or in the Praetorium awaiting Pilate's verdict? What is the meaning of the last words Jesus uttered as He gasped for breath on the cross? What if all the facts you now so well could come alive in your mind and heart as a living story, rather than as a 2000-year-old ancient account? By piecing together the narrative from the perspective of the participants, John MacArthur invites you to relive the most awesome injustice in the history of man, the unparalleled triumph of the sovereignty of God, and the passion of Christ.

de While history is overrun with stories of injustice that stir us to anger and outrage, the death of Jesus has become so familiar that often it fails to elicit such a response. In *The Murder of Jesus*, John MacArthur (The Gospel

According to Jesus) writes that the crucifixion of Jesus "was the greatest travesty of justice the world will ever see... He was cruelly executed by men who openly acknowledged His faultlessness." At the same time, however, His death was purposed by God to secure salvation for sinners. In this historical narrative, MacArthur gives a complete biblical account of the events leading up to and including Jesus' crucifixion. This chronological examination includes a detailed look at everything from Judas's betrayal to Peter's denial to Christ's final words on the cross and the significance of His atoning work. In the midst of the drama, MacArthur draws out personal points in regard to handling unjust suffering, as well as examples of the disciples' faulty faith. MacArthur's most poignant question, however, asks the reader to investigate who is responsible for Jesus' death. The answer might surprise you even while it elevates you to a new level of doctrinal maturity by shedding light on God's sovereignty during the most devilish murder in history. --Jill Heatherly
