**Von Andrew Farley : The Naked Gospel: Truth You May Never Hear in Church** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Naked Gospel: Truth You May Never Hear in Church:

Kurzbeschreibung I found myself lying on the floor of my apartment, sobbing for hours on end: God, I'm doing everything I'm supposed to do, and I still don't feel closer to you. In fact, I feel worse than ever! How could this have gone wrong? I can't see any way out. Help me. As a university student, Andrew Farley found himself physically and emotionally addicted to street evangelism and Bible study. Yet despite his fervid behavior, he knew something was missing. That something was an understanding of the gospel that is stripped of the compromises and clichés of the modern church. The Naked Gospel finds friends among those who are burned out on experience-chasing, ceremonialism, or legalism. It attacks churchy jargon and powerless ideas and puts forth a message that is simple but life-changing. With a fresh take on Scripture and unapologetic style, The Naked Gospel will challenge you and stir you to re-examine everything you thought you already knew.
