Von Paul Bruce : The Nemesis File - The True Story of an SAS Execution Squad: The True Story of an Execution Squad before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nemesis File - The True Story of an SAS Execution Squad: The True Story of an Execution Squad:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. One of the BEST SAS books i have ever readVon connerfitzgerald@yahoo.comAnd i have i have read almost ever thing that has been written about the SAS. The whole stroy is amazing, from the stroies of his father who was in the Long Range Desert Group ( the first SAS, lead by David Stirling) up to when he tasked to go around killing innocent people and at the end were it takes 20 years for him to come to turns with what happened in Northean Ireland.The book is so good that, i believe that the stroy is true and the governement is covering it's arse.A must read for any body that likes the SAS1 von 2 Kunden fanden die folgende Rezension hilfreich. Nothing but a giant lie...Von Ein KundeDon't waste your time buying this book. I don't know what ties the author/publisher has with Northern Ireland or the IRA but this book is nothing but cheap IRA propaganda. The IRA have always tried to make out the SAS are nothing more than hit teams - out to execute civilians. What a load of rubbish! The story in this book never happended. Northern Ireland is full of murderers - both Catholic AND Protestant. The SAS is not among them.1 von 2 Kunden fanden die folgende Rezension hilfreich. BullVon jaz@england.comThis book is a pile of pants. The closest Paul Bruce ever got to seeing action was when he fixed army cars in N.Ireland. The publishers should be embarrassed for going to print with such a poor book which is full of lies.DO NOT BUY THIS BOOK!

KurzbeschreibungI salute Paul Bruce. His decision to reveal the brutal truth is the act of a truly brave man. Captain Fred J. Holyrod, former MI6 Officer, Northern IrelandPaul Bruce was a tough, idealistic young trooper in the SAS when he was dispatched to Northern Ireland. His top-secret mission: to execute IRA suspects in cold blood.Bruce and three SAS comrades shot down one terrified victim after another, leaving the bodies to be buried in deep, unmarked woodland graves.The soldiers grew their hair long and drove ordinary looking cars. But they always carried pistols and sub-machine guns.In this historic book the author produces maps to show where his victims lie secretly buried.He also chronicles the mental breakdown of crack SAS troops, ordered to carry out the dirtiest job in a secret war.A tale of mass murder and random street assassinations that would strain credibility in a South American dictatorship! Sunday TimesA fascinating, hugely readable story! Daily MirrorA startling confession! Daily Mail
