Destroyer is back! Von Donna Courtois Remo, Chiun, and Smitty are back and they are themselves again, instead of the pod-people versions of the last four years. The humor is back on target too. So is the willingness to raise issues -- illegal immigration, cop-killers and the liberals who love them -- and take a stand that is gleefully out of step with the politically correct world view. Remo says he's glad to be back. I'm grateful, and relieved he has brought Chiun, Smitty, and Mark with him.

Kurzbeschreibung THE DESTROYER NEVER DIES . . . . VIVA LA REVOLUCION! When a dozen border patrol volunteers are murdered in New Mexico, apparent victims of Mexican nationals, Dr. Harold W. Smith of the super-secret agency CURE worries the first salvo in a new border dispute has been fired. His worst fears are realized with the appearance of the charismatic Santa Ana, a uniformed, would-be despot with a silver tongue and a thirst for bloody revolution. General Santa Anna has redrawn the border between the U.S. and Mexico to fit his own twisted version of reality, and thousands of illegal aliens are drawn to his message of liberation. The Southwest is on fire, and as the revolution explodes the entire nation is at risk. It seems the brazen general has planned for every eventuality. Except one... Mostly MIA for the past four years, Remo Williams, CURE's one man enforcement arm, has returned to the U.S. just in time to prevent Armageddon. With his Korean mentor Chiun, the Master of Sinanju, at his side, America just might live to see maana. But it turns out Santa Anna is not the only threat to The Destroyer. Remo not only must save the United States from civil war, he must square off against the only woman who ever killed him... Remo and Chiun are back (and) they could not be in better hands." --Bruce Grossman, bookgasm.com "(Remo's) talents and stunts are nothing short of spectacular, hearkening back to pulp heroes like Doc Savage and the Shadow. The mayhem that surrounds (him) is both chaotic and hilarious." --R.J Carter, TheTrades.com "(Murphy and Mullaney) have brought back the fun and satirical wit that made the (Destroyer series) so much fun to read." --Midwest Book Kurzbeschreibung THE DESTROYER NEVER DIES . . . .
