BookviewsVon Ein Kunde" The name Carl G. Fisher may not ring bells today, but it was this man who created the first transcontinental highway, built the Indy 500, developed Miami Beach, Florida and Montauk, New York . . . .One can only say "Thank You", Jerry for writing a wonderful biography, a splendid piece of history, and a story that provides an insight into an America where a poor Indiana boy could fulfill his dreams."0 von 0 Kunden fanden die

folgende Rezension hilfreich. It gives a great picture of American History!! Von Ein Kunde I had never heard of Carl Fisher until this riviting book appeared in print. Facts that I never knew about were brought to my attention. For example: he is the creator of the Indy 500 and Maimi Beach. All of his accomplishments are beyond belief!
