Von Adrienne von Speyr : The Passion From Within before purchasing it in order to gage whether or not it would be worth my time, and all praised The Passion From Within:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Christ's view of the passion and why it is inevitable.Von Stephen AccianiIt is difficult to call a book that takes you through the passion as great, or terrific. And "rich" is overused to descibe modern spirituality, and new age spirituality. Poignant is the word that decribes Von Speyr's detailed emotional trip of Christ's passion. Somehow Von Speyr is able to detail

the movement of Christ's view of His passion. And she does it in a way that proves that each step was Christ's choice to fulfill his Father's plan. Very powerful and in some ways awful and unbearable. I have since read another book by Von Speyr, this one on death, and I think that both are superb books. Rather than call her a mystic though I think maybe she is better described as a realistic mystic. For Catholics a beautiful book.

KurzbeschreibungThe mystic Adrienne von Speyr, drawing on her very special God-given charism of being able to experience the interior states of persons, shares her profound insights on the suffering, loneliness and loss Christ endured for love of us during His Passion. These unique experiences and insights of von Speyr on Christ's redemptive sufferings, and the people and events surrounding Him, offer rich and moving material for meditation and adoration. She also presents rare and beautiful mediations on Christ's mysterious presence in the Eucharist, as well as a kind of "theology of the body", echoing John Paul II's emphasis on the dignity and importance of the human body in our relationship to God.
