**Von Axel Rauschmayer : The Past, Present, and Future of JavaScript** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Past, Present, and Future of JavaScript:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Interessant Von O. Wolff Schwer in Worte zu fassen, warum ich nicht ganz begeistert bin. Vielleicht liegt mir der Stil nicht, der mit "staubtrocken" noch euphemistisch beschrieben ist. Gut: Die Verbindung der einzelnen Abschnitte mit

dem "Groen und Ganzen", also wie sich Vernderungen in die "historische" Linie einordnen
