Erbaulich!Von Julia ResselBerufende Propheten die entmutigt worden sind durch Geschwister, Gemeinden und Umstnde die so in den Vordergrund gerckt sind das sie den Weg mit Jesus nicht weitergegangen sind in Gehorsam. Es fhrt zurck auf den richtigen Weg und besttigt erneut den Ruf denn wir haben. Viel Weisheit beim lesen wnsch ich. ;-)

It is a very good form of teaching because you listen as one of the characters in the books and it goes right into you. You can draw from all the wisdom that Rick has accumulated and lived throughout all these years and this is a great treasure. Thanks

It's not just good literature, it's full of truth. And it's a great discipleship course! I can clearly recommend this book to everybody who desires to follow Jesus with their whole heart.

Written in the genre of The Final Quest trilogy, this is a prophetic allegory that goes deeper, further, and higher, illuminating some of the most important truths of our times.
