Von Ken Sande : The Peacemaker before purchasing it in order to gage whether or not it would be worth my time, and all praised The Peacemaker:

Very practical and biblically based guide on conflictVon Ein KundeThis book was written by a Christian who is also a lawyer with insight into human nature -- ie his christian worldview strongly informs his understanding of psychology rather than vice versa.The book is littered with biblical references, perhaps 10 per page, and when you go to look them

up you find that they are not trite or the 'standard christian answer' but that they add insight to the problem. I never knew the bible had so much to say about the issue. Rather than acting as out-of-context proof texts for a pet theory, the conclusions clearly follow from the text. Though his modern day examples generally involve large conflicts on the verge of a lawsuit (the clients the author takes on), there is much which applies to lesser conflicts at work, with family, or, in my case, during the first year of marriage. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Every church should teach a class based on this book Von T. Voorhees Ken Sande provides an exciting vision of how God's covenant of peace can extend throughout the Christian community. Moreover, Ken's highly practical advice can help resolve conflicts in every family, church, school, workplace, and government. People who apply Ken's teachings will appreciate more fully why our Lord promises blessings to peacemakers. Every church should consider teaching classes based on Ken's book so that church members everywhere can more actively sow in peace and reap a harvest of righteousness. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Practical help for conflict resolution Von Ein Kunde I have found this book to be an excellent resource in orienting my thinking and understanding of how to resolve conflict in a manner that is honoring to Christ. I can't recommend it highly enough for anyone who is seeking to follow Scriptural guidelines for resolving conflicts with others, whether wrestling with a major pending law suit or dealing with a minor offence.

Kurzbeschreibung Jesus said, "Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere-within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In *The Peacemaker*, Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, *The Peacemaker* is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation. Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers' confidence as they stand in the gap as peacemakers.
