It is regarded as one of the most significant works of religious English literature, has been translated into more than 200 languages, and has never been out of print. Bunyan began his work while in the Bedfordshire county prison for violations of the Conventicle Act, which prohibited the holding of religious services outside the auspices of the established Church of England. Early Bunyan scholars like John Brown believed The Pilgrim's Progress was begun in Bunyan's second, shorter imprisonment for six months in 1675, but more recent scholars like Roger Sharrock believe that it was begun during Bunyan's initial, more lengthy imprisonment from 166072 right after he had written his spiritual autobiography, Grace Abounding to the Chief of Sinners.
