**Von Marine Research Society : The Pirates Own Book: Authentic Narratives of the Most Celebrated Sea Robbers (Dover Maritime)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pirates Own Book: Authentic Narratives of the Most Celebrated Sea Robbers (Dover Maritime):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good book...but beware!Von MaryBThis is a good read, but you better be ready for the original 18th and 19th century language. It is authentic, and is often more disturbing than romantic (as we've come to expect of pirate books).

Kurzbeschreibung In these delightfully melodramatic accounts, originally published in an extremely rare 1837 volume, you'll find true stories of the diabolical desperadoes who plundered ships on the high seas and murdered their passengers and crews. The stories based on contemporary newspaper accounts, trial proceedings, and Admiralty records describe in lurid detail the life, atrocities, and bloody death of the infamous Black Beard as well as the cold-blooded exploits of Jean Lafitte, Robert Kidd, Edward Low, Thomas White, Anne Bonney, Mary Read, and scores of other maritime marauders. The first edition of *The Pirates Own Book* was published in Boston, Massachusetts, in 1837, and during the next 25 years it was followed by at least eight other editions. Today it is a rarity among collectors. Now available once again in this inexpensive edition, it will thrill lovers of drama on the high seas or any reader interested in the true-life adventures of the ruthless men and women who sailed under the black flag so long ago.
