Von Univ Of Minnesota Press : The Postcolonial and the Global before purchasing it in order to gage whether or not it would be worth my time, and all praised The Postcolonial and the Global:

Kurzbeschreibung This interdisciplinary work brings the humanities and social sciences into dialogue by examining issues such as globalized capital, discourses of antiterrorism, and identity politics. Essayists from the fields of postcolonial studies and globalization theory address the ethical and pragmatic ramifications of opposing interpretations of these issues and, for the first time, seek common ground.
