A short classic on the ministry of the Holy Spirit - SUPERB Von Ein Kunde Brothers and Sisters, William Law showed that the Spirit of God dwelled in him by writing this book. It is the most challenging and convincing (and extremely simple) book on the Holy Spirit I have read...ever. I have read hundreds and hundreds of books in my lifetime...none has

impacted me to this point as much as this one. Are you tired of struggling with sin? Do you long for the life Jesus wants you to live...that you KNOW is out there somewhere...but that you have been unable to attain? Are you tired of the superficial explanations of the Holy Spirit...that see the Spirit only as an emotional spark or the source of tongues and charisma? Do you want to see the Bible for what it really is....the map pointing us to Jesus and guidance by the Spirit? READ THIS BOOK. PLEASE. I beg you as a fellow believer...this book NEEDS to be read. It will blast a hole in your preconceptions of the Holy Spirit and your apathy of spirit. IT DID MINE. I cannot stress enough...I have no ulterior motive...please read this book. I believe it to be from God through a humble instrument of his during the 18th century, a believer who really walked in the Spirit, William Law. it's a shame I could only give it 5 stars!0 von 0 Kunden fanden die folgende Rezension hilfreich. If any man have not the Spirit of Christ, He is none of His Von John Lockmer Without a doubt one of the best written works on the Holy Spirit. William Law was a man who had a profound influence in the Lives of the men of the 1700 Revival (John Westley, Charles Westley and George Whitfield.) If you want to know why, read this book, "touch and see" for yourself what it means to be led by the Spirit of God and find out what it really means to be Born from above and experience what William and others called the "new birth."

Kurzbeschreibung A concise yet profoundly instructive and deeply challenging exposition on the Holy Spirit, highly recommended by Andrew Murray who considered it an invaluable blessing in his life.
