**Von Charles Fielding : The Practical Qabalah** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Practical Qabalah:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. A great practical dissemination of the ancient text. Von Ein Kunde Much of modern and old magick is based on the Qabalah. This ancient Hebrew text sets the groundwork for the mysticism we still practice today. Wicca and Golden Dawn are both very much rooted in Qabalat teachings. Fielding's Practical Qabalah dissects the often cryptic Qabalah and puts it

into modern context. He breaks down the Sephirot (Circles of the Tree of Life) and even provides a basic primer in reading Hebrew.

**Kurzbeschreibung** This is an excellent introduction to the Western Mystery Tradition and the symbolism of the Qabalah. Discusses pathworking procedures of Qabalah in light of the archetypes of Jungian psychology, showing how to work with dreams and visualization to help better communicate with yourself and others.
