**Von Arthur Conan Doyle : The Return Of Sherlock Holmes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Return Of Sherlock Holmes:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Mystery, Mystery, Mystery, the Original Mysteries.Von Nigel M BaileyAs an Englishman. resident in the United States, what do I miss most? The BBC. As a little boy I looked forward to all the broadcast plays every week. The BBC cast performed about 6 hours of radio plays every week. They still do, haven't you also noticed the number of TV plays broadcast by A and E? Most of them originate in the United Kingdom, Hornblower, ETC.. Now we can enjoy the

performances by means of these Bantam Double Day releases. Very well done, by a very experienced cast, you can let your imagination run riot as you picture the various scenes in your mind. These are the classic stories by Sir Arther Conan Doyle. They have been around for 100 years or so, and time has not diminished their appeal. On this Audio Book you have 4 stories, each about 45 minutes long. If you haven't heard these before, then I don't wish to spoil the story line. If you know the stories then you will not be disappointed. Each story is presented in the time period of around the 1900's, you can almost smell the gas lighting, not to mention the foggy november weather, the horses, and so on. Order these from , and search for more of the BBC plays, they are great.0 von 0 Kunden fanden die folgende Rezension hilfreich. Der original Sherlock Holmes: Unbedingt lesen!Von LumenDen meisten Menschen ist der Name Sherlock Holmes ein Begriff. Denn so ziemlich jeder hat schon irgendwann einmal etwas von Arthur Conan DoYLES berühmten Detektiv gehört. Gerade im Moment, da Guy Ritchie Sherlock Holmes wieder ins Kino gebracht hat und die BBC - Serie "Sherlock" sehr erfolgreich im Fernsehen luft, kommt man an dem Namen Sherlock Holmes kaum vorbei.Doch leider kennen immer weniger Leute die Romanfigur Sherlock Holmes. Der Name Sherlock Holmes ist bekannt, auch zahlreiche Filme, in denen ein Detektiv mit diesem Namen die Hauptrolle spielt. Doch wie viele Leute haben tatsächlich die Bücher gelesen? Wie viele Leute wissen, dass einige dieser Filme gar keine Verfilmungen, sondern lediglich Pastiche sind? Daher möchte ich hiermit eine Lanze für die Bücher brechen. Denn wer Krimis mit vielfältigen Geschichten/Fällen mag, außergewöhnliche Rätsel liebt und humorvolle Dialoge bevorzugt ist bei den Originalgeschichten um Sherlock Holmes genau richtig.Die hier vorgestellte Buchausgabe enthält DoYLES Geschichtensammlung "The Return of Sherlock Holmes" (dt. Die Rückkehr des Sherlock Holmes) und damit insgesamt 13 Sherlock Holmes - Erzählungen. Ergänzt werden die Geschichten durch zahlreiche Zeichnungen von Sidney Paget. Zudem enthält diese Ausgabe ein Vorwort mit vielen Hintergrundinformationen über Doyle und sein Werk von John S. Whitley.Probieren Sie es mal und lesen Sie DoYLES Geschichten. Denn so verstaubt, wie viele Leute glauben, sind die Geschichten gar nicht. Im Gegenteil.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Klassiker, absolutes MussVon Manja KochannekIch habe Sherlock Holmes schon als Kind sehr gerne gelesen und jetzt habe ich mir nochmal einige Bücher und DVDs gekauft, dieses Buch habe ich mir auf mein iPhone geladen und lese es gerne immer wieder, wenn ich unterwegs bin. Sherlock Holmes ist für mich ein absoluter Klassiker und ein Muss.

KurzbeschreibungIt has been three years since Sherlock Holmes fell to his death after a showdown with his brilliant enemy Moriarty at Reichenbach Falls. Believing his friend to be dead, Doctor John Watson has moved on with his life. That is, until he discovers Sherlock Holmes alive and in disguise one afternoon in a London shop. A whole new series of adventures awaits Holmes and Watson, and the consulting detective must use the science of deduction to solve new mysteries, while explaining his own supposed death and disappearance to Watson.The Return of Sherlock Holmes was published eight years after The Memoirs of Sherlock Holmes, in which Holmes character was killed. But Sir Arthur Conan DoYLES readers were desperate for more of Holmes adventures, so he brought the character back in the first short story in this collection, The Empty House. DoYLES Sherlock Holmes stories have been adapted numerous times, including the 2009 and 2011 movies starring Jude Law and Robert Downey Jr., and for the popular television shows Elementary, starring Jonny Lee Miller and Lucy Liu, and the BBCs Sherlock, starring Benedict Cumberbatch and Martin Freeman. The first episode of Sherlocks third series, named The Empty Hearse, references The Empty House from this volume. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms.
