wieder berzeugt Jonathan Black... Von Geomant... mit seiner guten Recherche, einer beraus sympathisch-offenen Auslegung der mystischen und magischen Zusammenhänge und einer spannenden und zum Nachdenken anregenden Sprache. Sehr empfehlenswert, auch wenn ich es schade finde, dass es keine Druckauflage dieses Buchlein gibt.

Kurzbeschreibung Why does Dante describe the Inferno as a real place? What secret society did Dante belong to? What was Dante's connection with the Knights Templar? What was his secret connection to militant Islamic sects? Jonathan Black, author of the international bestseller *The Secret History of the World*, uncovers the real-life stories of Dante and *The Inferno*. Here you will find hidden codes, passageways under the streets of Florence, mad monks, mind-bending drugs and terrifying underground rituals. Together they contain all the elements of a great thriller - greed, murder, obsessive love, betrayal - and they reveal a 2,000-year-old conspiracy: to rule the world. Perfect if you want to understand the mysteries that inspired Dan Brown's novel *Inferno*, or as a standalone initiation to one of the great turning points in occult history.
