**Von Anthony Rohlwink : The Serotonin Transfer (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Serotonin Transfer (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A Gripping StoryVon Snowfire6The Serotinin Transfer is a refreshingly different type of science fiction thriller with plenty of twists and turns that lead to a completely unexpected ending. I recommend it to anyone out there who likes

the combination of a good science fiction story and a thriller.0 von 0 Kunden fanden die folgende Rezension hilfreich. One-third science fiction, two-thirds action-thrillerVon Martin StrauchThe Serotonin Transfer begins and ends like a science-fiction story. Even if you dont like science-fiction, do carry on reading the book. The chapters in-between read like a thriller that you wish you could read in one go because it is so full of suspense you cant wait to find out who the bad guy is.

KurzbeschreibungHave you ever wondered why mankind has never made contact with aliens?Delta Control knows that aliens exist. For decades the secret government unit has been observing their spaceships fly the most amazing aerobatics, but has never been able to catch one. Whenever they land, they simply turn into water with an eight per cent salt content. Jim Mitchell, a rich entrepreneur, befriends a tramp called Howard and discovers that he has the uncanny ability to experience other peoples feelings. By chance, Professor James, a leading psychiatrist, also finds an anomaly in Howards genes and imprisons him in a private psychiatric hospital to study the effects. Delta Control eventually learns of Howards ability and raids the hospital. However, Jim and Beverly Reed, one of Howards doctors, help Howard escape. Delta Control, several other government agencies, and a mysterious Russian chase the three of them around the world. While fleeing, Jim and Beverly gradually uncover more and more of Howards abilities and the reason for his strange dreams. On the other side of the universe, beyond the laws of time and space, a sphere of water turns silently in space. Below the surface something watches and waits for time itself to cease. However, the true solution to the mystery lies buried in Delta control.KurzbeschreibungHave you ever wondered why mankind has never made contact with aliens?Delta Control knows that aliens exist.
