KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Before the originalVon Rick CrispenI have recently come across an "Advance Copy" of Logan Marshall's original book "The Sinking Of The Titanic And Great Sea Disasters". This is before the original was completed. It also contains complete bulk order sheets in the back of the book. The book states that the material in the book may be corrected or revised in completed book. I would appreciate any info that anyone could send me on this book, I cannot seem to find out anything about it. If anyone has any info. Please email me at rickcrispen@hotmail.com Thank You!0 von 0 Kunden fanden die folgende Rezension hilfreich. The Sinking of the Titanic and great sea disastersVon TinaI have the original"Sinking of The Titanic and other great sea disasters" written by Logan Marshall. Copywrite 1912. Can you please inform me of possibly the value or importance of my book. Im 15 years old and recieved this book as a christmas gift. I would greatly appreciate your help in return. Please let me know any information you may have at my E-mail adress: snowbunny687@icqmail.com. Thanking you in advance Truly, Tina0 von 0 Kunden fanden die folgende Rezension hilfreich. Very EntereestingVon John MaurerI have the original printing in good shape.Would be interested in knowing its value. I couldn't put the book down when I read it. I especially liked the survivor stories.

KurzbeschreibungThis ebook edition features: 30 photographs and illustrations from the first edition Active table of contents and reflowable text Part of the Titanic Landmark Series republishing eyewitness accounts of the TitanicThis is one of the first and most famous books published after the sinking of the Titanic, and contains much material from contemporary newspaper accounts. It was written by Logan Howard-Smith (under the pen name of Logan Marshall), an editor who specialized in the rapid publication of books about current events. For this book, his crowning achievement, the initial print run was for no fewer than 110,000 copies. The publisher achieved this by running 11 presses simultaneously, and the books were then sold door-to-door across America for a dollar apiece. Although Marshall's own description of the sinking is melodramatic and sensationalistic, the many verbatim interviews with survivors of the disaster have stood the test of time, and are often cited in Titanic literature.Table of Contents:I: First News of the Greatest Marine Disaster In HistoryII: The Most Sumptuous Palace AfloatIII: The Maiden Voyage of the TitanicIV: Some of the Notable PassengersV: The Titanic Strikes an Iceberg!VI: Women and Children FirstVII: Left to Their FateVIII: The Call for Help HeardIX: In the Drifting Life-BoatsX: On Board the CarpathiaXI: Preparations on Land to Receive the SufferersXII: The Tragic Home-ComingXIII: The Story of Charles F. Originally written published

in 1912, Logan Marshall's book was the very first attempt to solve the mystery of the accident and relieve the heartache which it stirred internationally. The author narrates the personal stories of Titanic's passengers before, during and after the sinking of the ill-fated ship. This book will take you back in time to understand the trauma of the incident from a not-so-comfortable distance. Listen to the voices of real passengers tell their own touching stories of the tragedy.
