Kurzbeschreibung Robert Powell cofounder of the Sophia Foundation of North American in Nicasio, California uncovers a secret stream of wisdom flowing through the heart of Christianity: the feminine principle known in Greek as Sophia, or the being of Holy Wisdom herself. This sacred embodiment, named in the Old Testament as the first living being made by God, has comforted and guided seekers of truth in every age and in every human culture. Powell surveys the wonders and teachings associated with this unacknowledged treasure of Christianitys mystical pasta stream running from the Greek philosophers and King Solomon through the cosmic visions of Hildegard von Bingen, Our Lady of Guadalupe, and the relation of Sophia to Mary the mother of Christ. The Sophia Teachings provides accessible and informative insights into the being of Sophiagenerally overlooked by modern, patriarchal Christianity and misinterpreted by new age and and other movements that often trivialize the meaning and purpose of
