His experiences as a medium working with the spirits of the dead and as a channel bringing through the wisdom of Ascended Masters have opened his view on astrology to begin his work with an analysis of the multi-life journey each soul is traveling. The result is a four step method to open and easily understand the karmic, multi-life journey of the soul behind any astrological birth chart. This work takes evolutionary astrology to the next level. Tom shares the method of analysis and almost two dozen examples from his client files and from the lives of well-known people to bring it to life.KurzbeschreibungForeword by Steven Forrest.Astrologer, medium, and channel Tom Jacobs shares his unique approach to karmic astrology.
