Von Charles H. Spurgeon : The Soul-Winner: or How to Lead Sinners to the Saviour (with active table of contents) [Annotated] (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Soul-Winner: or How to Lead Sinners to the Saviour (with active table of contents) [Annotated] (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Highly recommended reading!!!Von MWhat can compare to the joy of winning a soul to Christ? C.H. Spurgeon will have you chomping at the bit to go out and win souls, one at a time, for the Lord! This truly is a life-changing book. It is certainly the best \$5 I've ever spent! If you've ever thought you weren't cut-out to be a soul winner, Spurgeon will prove you wrong! In a nutshell, soul-winning is about having a deep desire to be used by God and a painfully genuine

love for your fellow man, and no one explains this as well as the timeless Spurgeon. Don't make the mistake of thinking that you must have the gift of Evangelism in order to win souls for Christ! I certainly don't have that gift, I'm just an ordinary person, but this book has been of immense practical value to me, and I have seen fruit result already. This is a must-read for Christians who want to make every day count for eternity. Soul-winning is not about following a formula, its about having a passion for the lost. Read this book and let its message rekindle the fire to share the gospel. Be among the laborers in the end time harvest! Remember, the Holy Spirit uses anyone who is willing to be used. ;-)

Von warnock@bigfoot.com  
This has to be the very best book ever written on evangelism. It once and for all explodes the myth that evangelism and calvinism are uneasy bedfellows. Read and be inspired!  
0 von 0 Kunden fanden die folgende Rezension hilfreich. Evangelism God's way  
Von David Heesen  
What? evangelism without applied psychology? without arm twisting? without tricks? Those who want modern methods need not apply here.

Kurzbeschreibung  
About This Edition of The Soul-Winner: or How to Lead Sinners to the Saviour: Optimized for Kindle Active Table of Contents - Quick and easy navigation to each chapter  
Charles Spurgeon Biography - The man behind the book  
What is it to Win a Soul?  
THIS volume is issued in accordance with a plan formed by MR. SPURGEON; indeed, he had already prepared for the press the greater part of the material here published, and the rest of his manuscripts have been inserted after only slight revision. It was his intention to deliver to the students of the Pastors' College a short course of Lectures upon what he termed "that most royal employment" SOUL-WINNING, and, having completed the series, he purposed to collect his previous utterances to other audiences upon the same theme, and to publish the whole for the guidance of all who desired to become soul-winners, and with the hope also of inducing many more professing Christians to engage in this truly blessed service for the Saviour. This explanation will account for the form in which the topic is treated in the present book. The first six chapters contain the College Lectures; then follow four Addresses delivered to Sunday-school teachers, open-air preachers, and friends gathered at Monday evening prayer-meetings at the Tabernacle; while the rest of the volume consists of Sermons in which the work of winning souls is earnestly commended to the attention of every believer in the Lord Jesus Christ. For more than forty years, MR. SPURGEON was, by his preaching and writing, one of the greatest soul-winners; and by his printed words he still continues to be the means of the conversion of many all over the world. It is believed, therefore, that thousands will rejoice to read what he spoke and wrote concerning what he called "the chief business of the Christian minister." About the Author  
Charles Haddon (C.H.) Spurgeon (June 19, 1834 January 31, 1892) was a British Baptist preacher, still known as the "Prince of Preachers". In his lifetime, Spurgeon preached to around 10,000,000 people, often up to 10 times a week at different places. His sermons have been translated into many languages. Spurgeon was the pastor of the New Park Street Chapel in London for 38 years. He was part of several controversies with the Baptist Union of Great Britain, and later had to leave that denomination. Throughout his life, Spurgeon suffered from depression and other mental illnesses. In 1857, he started a charity organisation called Spurgeon's which now works globally. He also founded Spurgeon's College, which was named after him after his death.  
Pressestimmen."  
. . . full of the pith, humour and wisdom one expects of Spurgeon . . . it was to God that Spurgeon looked and expected blessing and that he received it . . . It is heartening to read of the joys and problems associated with the preaching of the Gospel . . . he had the ability to go to the heart of matters . . . This is a book to relish and enjoy, and then to apply, under the earnest seeking for the blessing of God, to today's world."--English Churchman
