**Von Mary S. Lovell : The Sound of Wings: The Life of Amelia Earhart** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sound of Wings: The Life of Amelia Earhart:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Same old thing!Von Ein KundeThis book has the same stories (some word for word) that appear in other Amelia Earhart books. Very disappointing and a waste of money0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent biography of Amelia EarhartVon Ein KundeThis well researched and intelligent book on Amelia Earhart makes a first

Kurzbeschreibung When Amelia Earhart mysteriously disappeared in 1937 during her attempted flight around the world, she was already known as America's most famous female aviator. Her sense of daring and determination, rare for women of her time, brought her insurmountable fame from the day she became the first woman to cross the Atlantic in an airplane. In this definitive biography, Mary S. Lovell delivers a brilliantly researched account on Earhart's life using the original documents, letters, the logbooks of Earhart and her contemporaries, and personal interviews with members of Amelia's family, friends and rival aviators. *The Sound of Wings* vividly captures the drama and mystery behind the most influential woman in "The Golden Age of Flight" from her tomboy days at the turn of the century and her early fascinations with flying, to the unique relationship she shared with G.P. Putnam, the flamboyant publisher and public relations agent who became both her husband and her business manager. It is a revealing biography of an uncommonly brave woman, and the man who both aided and took advantage of her dreams.

Pressestimmen "Vividly evokes the tragic aspect of Amelia Earhart, as well as the moxie and grit of her personality and the hair-raising atmosphere of pioneering aviation." -- "New York Times Book " "The most carefully researched Earhart biography to date." -- "The Boston Herald" "A realistic, full-bodied portrait." -- "Booklist" "A monumental biography - Mary Lovell is the real thing: a biographer passionately interested in her subjects. She realises her material and retells with tremendous verve all the best stories." -- The Times (UK) Vividly evokes the tragic aspect of Amelia Earhart, as well as the moxie and grit of her personality and the hair-raising atmosphere of pioneering aviation.
